Dobrá fotografia ešte žije

V roku 2020 boli Nové Zámky vyhlásené za Mesto kultúry. Mali sa prezentovať veľkolepými podujatiami i v oblasti fotografie. Jedným z nich mal byť nepochybne HEXAGON – medzinárodný fotografický salón, organizovaný pod záštitou FIAP – Medzinárodnej federácie fotografického umenia. Po príchode pandémie sa zdalo, že mu zazvonil umieračik. Tamojší organizátori sa však nevzdali a v elektronickej podobe sa stal skutočnosťou v tomto roku.

O salón bol veľký záujem po celom svete. Ved' údaje, že sa ho zúčastňuje 249 autorov zo 48 krajín 3043 fotografiemi, nepotrebuju ďalší komentár. Na Slovensku to bude teda v tomto roku jednoznačne najväčšie fotografické výstavné podujatie. Súťažilo sa v štyroch kategóriách: Color (farebné snímky), Monochrome (čiernobiele fotografie), Nature (Príroda) a Travel (Cestovanie). V každej kategórii mohla odborná porota udeliť tri ceny FIAP, tri ceny Hexagonu, čestné uznania, diplom poroty a čestné uznanie jej predsedu. Všimnime si teda podrobnejšie jednotlivé kategórie.

V kategórii **COLOR** získal zlatú medailu FIAP Mikael Lundblad zo Švédska za emotívnu snímku Alone Cyclist. Vynikajúco v nej využil daždivú atmosféru. Strieborná medaila FIAP zostáva na Slovensku zásluhou Martina Kučera za snímku Keď sa otvorilo nebo, Bronzovú medailu FIAP udelili Mohanto Protapovi Shekhirovi z Bangladéša, za Beauty of Light and Shade.

Zlatá medaila Hexagonu ide do Talianska, za fotografiu Bird on the Lake2 si ju odnáša Simaz Dario. striebornú medailu Hexagonu porota udelila Wong Weng Sangovi z Macaa za fotografiu Li River Great Moment. Bronzovú medailu Hexagonu dostala Vander Meulen Sonja za dynamický záber Black Devil. Diplom jury získal Kucelin Zvonko z Chorvátska za One Step, čestné uznanie predsedu poroty Beverli Hayes za snímku Dust Riders.

Good photography is still alive

In 2020 the town of Nové Zámky was declared to be a City of Culture. The aim was to present the town at significant events including events in the field of photography. One of them would have undoubtedly been HEXAGON - an international photography salon, organized under the auspices of FIAP - International Federation of Photographic Art. After the arrival of the pandemic, it seemed as if the death knell had rung. However, the local organizers didn't give up and the event has become a reality this year.

There was interest in the salon from all over the world. After all, the fact that 249 authors from 48 countries took part in the event with 3043 photographs doesn't need further comment. It will definitely be the largest photographic exhibition in Slovakia this year. The competition was held in four categories: Color, Monochrome (black and white photos), Nature, and Travel. In each category, the panel of judges could award winners as follows: three FIAP awards, three Hexagon awards, honorable mention, judges' diploma and a chairman's honorable mention. Let's take a detailed look at each category.

In the **COLOR** category, Mikael Lundblad from Sweden won the FIAP gold medal for the emotional photo Alone Cyclist. He used the rainy atmosphere excellently. The FIAP Silver Medal remains in Slovakia thanks to Martin Kučera for the photo called When the Sky Opened, the FIAP Bronze Medal was awarded to Mohanto Protap Shekhir from Bangladesh for Beauty of Light and Shade.

The Hexagon Gold Medal goes to Italy for the photo taken by Simaz Dario, the Bird on the Lake2. The Hexagon Silver Medal was awarded by the judges to Wong Weng Sang from Macao for a photograph of Li River Great Moment. The bronze medal of the Hexagon was awarded to Vander Meulen Sonja for the dynamic shot called Black Devil. The judges' diploma went to Kucelin Zvonko from Croatia for One Step. Beverli Hayes was awarded the chairman's honorable mention for the photo called Dust Riders.

Človečina dominuje v kategórii **MONOCHROME**, kde zlatú medailu FIAP získal Alqahtani Amani zo Saudskej Arábie, za graficky veľmi pôsobivú snímku Liwa Dunes, s perfektne zakomponovanými dvoma postavami. Posledné zbohom cigánskeho pohrebu od nášho fotografa Ladislava Szaboa, za ktoré mu udelili striebornú medailu FIAP, môže byť tichým holdom tvorbe Tibora Huszára. Bressonovsky videná situácia v snímke Juegos de ninos y de no tan ninos priniesla bronzovú medailu FIAP Mesa Otero Jesusovi zo Španielska.

O medaily Hexagonu sa v tejto kategórii podelili: John Whitby zo Spojeného kráľovstva si odniesol zlatú za portrét Hero Worship, Laura Bologni z Taliánska striebornú za záber Paratroopers a Kaylan Mondal z Indie bronzovú za Actionfull Moment. Diplom jury získal Konstantin Zaykov z Bulharska za veľmi aktuálnu snímku zo súčasnej pandemickej situácie Rest After Work. Čestné uznanie predsedu putuje do Indie Kaushikovi Majunderovi za portrét The Philosopher.

V kategórii **NATURE** museli autori rešpektovať striktné podmienky FIAP-u. Ocenení autori sa popasovali s témami bravúrne. Nositel' zlatej medaily FIAP Mohanto Protap Shekhor z Bangladéša majstrovsky zachytíl Symetric Flight. Maďarský fotograf Tibor Berendi zaznamenal Feeder tak, že porota neváhala udeliť mu striebornú medailu FIAP. Bronzovú medailu FIAP si odnáša jeho krajan Imre Kiss za fotografiu Among the Water Drops.

Medaily Hexagonu boli rozdelené nasledovne: zlatá – gréckemu autorovi Kostasovi Chalkiadakovi za snímku Alert, strieborná – Kath Aggiss zo Spojeného kráľovstva za Emerging Kingfisher, bronzová – Wong Weng Sangovi z Macaa za Line of Gunes N2. Diplom jury patrí Mirkovi Zanettimu z Taliánska za snímku Fratino, čestné uznanie predsedu autorovi s neobykle dlhým menom – Hansovi Tangmanpoowadolovi z Thajska za fotografiu Power of Harmony.

Relativne najviac voľnosti ponúkala autorom kategória **TRAVEL**. Mohli si zvoliť farebné, alebo čiernobiele stvárnenie námetu. Využili ju dôkladne, s citom pre kompozíciu i atraktívny obsah. Svedčia o tom najmä snímky ocenené medailami. Najskôr FIAP: Zlatú presvedčivo získal Lee Hengki z Indonézie sa fotografiu Urban Daydream. Striebornú udelila porota Wong Weng Sangovi z Macaa za Fire Dragon T6. Bronzovú dostał Nagaraju z Indie za Cock Fighting.

Man dominates in the **MONOCHROME** category, where Alqahtani Amani from Saudi Arabia won the FIAP gold medal for his graphically impressive photo called Liwa Dunes with perfect composition of two characters. The Last Goodbye at a Gypsy Funeral from our photographer Ladislav Szabo, for which he was awarded the FIAP silver medal, may be a silent tribute to the work of Tibor Huszár. Bressonovsky's situation in Juegos de ninos y de no tan ninos brought the FIAP Mesa Otero bronze medal to Jesus from Spain.

The following winners shared the Hexagon medals in this category: John Whitby from the United Kingdom won a gold medal for the portrait Hero Worship, Laura Bologni from Italy won a silver medal for the Paratroopers and Kaylan Mondal from India won a bronze medal for Actionfull Moment. The judges' diploma was awarded to Konstantin Zaykov from Bulgaria for a very up-to-date photo of the current pandemic situation called Rest After Work. The chairman's honorable mention goes to India to Kaushik Majunder for a portrait called The Philosopher.

In the **NATURE** category, the authors had to observe the strict terms of the FIAP. The award-winning authors dealt with the topics brilliantly. FIAP gold medalist Mohanto Protap Shekhor from Bangladesh captured Symetric Flight masterfully. Hungarian photographer Tibor Berendi captured Feeder so that the judges didn't hesitate to award him with the FIAP silver medal. His fellow countryman Imre Kiss won the FIAP bronze medal for the photo called Among the Water Drops.

The Hexagon's medals were distributed as follows: gold - Greek author Kostas Chalkiadakis for Alert, silver - Kath Aggiss from the United Kingdom for Emerging Kingfisher, bronze - Wong Weng Sang from Macao for Line of Gunes N2., chairman's honorable mention went to the author with an unusually long name - Hans Tangmanpoowadol from Thailand for the photograph called Power of Harmony.

The **TRAVEL** category offered authors relatively maximum freedom. They could choose a color or black and white interpretation of the theme. They used this freedom thoroughly, with a sense for composition and attractive content. This is particularly evidenced by the winning photos. First of all- FIAP medals: Lee Hengki from Indonesia convincingly won gold with the photo Urban Daydream. The silver was awarded by the judges to Wong Weng Sang from Macao for Fire Dragon T6. Bronze was awarded to Nagaraja from India for Cock Fighting.

Kvalitou za týmito autormi nezaostali ani nositelia medailí Hexagonu: Mohanto Protap Shekhor veľmi emotívne spracoval Prayer in Time of Corona. Zlatá medaila teda zaslúžene putuje do Bangladéša. Sunrise on the Namib prinieslo Kath Aggiss zo Spojeného kráľovstva striebornú medailu. V silnej konkurencii bronzovú medailu získal Duong Vinh Tuyen z Vietnamu za kompozíciu Drying Flour. Diplom jury zostáva na Slovensku, získal ho Martin Kučera za Autumn Morning in Lowlands, čestné uznanie predsedu dostał Jesus Otero Mesa zo Španielska za fotografiu Tarde el sol. Vo všetkých kategóriách porota udelila aj šesť čestných uznaní FIAP a dve Hexagon.

Najlepším autorom fotografického salónu **HEXAGON 2021** je Kerekes István z Maďarska, ktorému akceptovali 12 fotografií a získal dve ocenenia. Primátor mesta Nové Zámky PhDr. Mgr. Art. Otokar Klein, udelil cenu Borisovi Kopajovi zo Slovenska za 11 akceptovaných fotografií.

Čo povedať na záver? Predovšetkým chceme úprimne zablahoželať oceneným autorom a podakovať všetkým, ktorí sa v tejto zložitej dobe pričinili o to, že medzinárodný salón HEXAGON sa uskutočnil aspoň v digitálnej podobe. Nesmierne cenný je aj odkaz, ktorý priniesol, že kvalitná fotografia ešte žije! Vo všetkých končinách našej modrej planéty. Prináša nádej, že ľudia si môžu rozumieť bez ohľadu na farbu pleti a vierovyznania, napriek rečovým a iným umelo vytvoreným bariéram. Fotografia je totiž jazyk, ktorý nepotrebuje tlmočníkov. Je to reč o svetle vôkô nás, i v nás.

Porota

PhDr. Marián Pauer, ESFIAP (Slovensko), predseda poroty, popredný teoretik fotografie
Garik Avanesian, MFIAP (Česká republika) predsedca ČFFU
Štefan Pirohár, MZSF (Slovensko) – člen poradného zboru NOC pre fotografiu a predseda fotoklubu Hexagon

These holders of the Hexagon medals didn't lag behind in quality of other authors either: Mohanto Protap Shekhor composed the photo Prayer in Time of Corona very emotionally. The gold medal therefore deservedly travels to Bangladesh. Sunrise on the Namib brought Kath Aggiss from the United Kingdom a silver medal. In strong competition, Duong Vinh Tuyen from Vietnam won the bronze medal for his composition Drying Flour. The judges' diploma remains in Slovakia being awarded to Martin Kučera for Autumn Morning in Lowlands, and the chairman's honorable mention was given to Jesus Otero Mesa from Spain for his photograph Tarde el sol. In all categories, the judges also awarded six FIAP honors and two to Hexagon.

The best author of the **HEXAGON 2021** photography salon is Kerekes István from Hungary whose 12 photographs were accepted and two were awarded. The Mayor of Nové Zámky, PhDr. Mgr. Art. Otokar Klein, awarded a prize to Boris Kopaj from Slovakia for his 11 accepted photos.

What can I say in conclusion? Mainly, I would like to sincerely congratulate the award-winning authors and thank everyone who contributed to the HEXAGON International Salon at least in digital form during this difficult time. It sends the message that photography is still alive and also extremely valuable in all parts of our blue planet. It brings hope that people can understand each other, regardless of the color of the skin or religion, despite language and other artificial barriers. Photography is a language that doesn't need any interpreters. It makes a statement about the light around us, and within us.

Slovo organizátora Remarks from event organizer

Okresné mesto Nové Zámky, s necelými 40.000 obyvateľmi leží v juhozápadnej časti Slovenska. Obývané bolo už v mladšej dobe kamennej, ale výsadu mestských práv obdržalo v roku 1691. V tomto roku teda si teda pripomíname 330 rokov mestských práv.

V rámci mnohých aktivít má v našom meste silné zastúpenie fotografia, nie len preto že sa tu v r. 1901 narodil významný fotograf Lucien Aigner, ale najmä preto že tu aktívna pracuje skupina nadšencov amatérskej fotografie združená vo fotoklube **Hexagon**. Činnosť fotoklubu spočíva najmä v organizovaní výstav autorských, klubových, a predstavujeme aj rôzne fotokluby zo Slovenska. Už dlhé roky organizujeme bienále fotografií Slovensko moje (vlani sa konalo 14.) a sme zakladatelia Petzvalovho mapového okruhu fotoklubov (v tomto roku už 27. Ročník), zúčastňujeme sa rôznych súťaží nie len na Slovensku ale aj v zahraničí najmä na tých, ktoré majú patronát FIAP.

V minulom roku sa naše mesto stalo hlavným mestom kultúry a tak vznikol priestor na rozvoj rôznych kultúrnych aktivít v rámci projektu Vzdušné Zámky. Toto bola pre nás motivácia a tak sme sa rozhodli usporiadať Hexagon fotosalón pod patronátom FIAF. Našim obyvateľom a návštěvníkom nášho mesta tak predstavíme pestrú paletu tvorby 249 autorov zo 48 štátov sveta a zároveň si tak dáme dar k 60. Výročiu vzniku nášho fotoklubu.

Nové Zámky, 6.3.2021

Štefan Pirohár, MZSF
Predseda fotoklubu HEXAGON
Chairman of the Hexagon photo club

The district town of Nové Zámky, with less than 40,000 inhabitants, lies in the southwestern part of Slovakia. It has been inhabited since the Neolithic Age, but it received the privilege of city rights in 1691. This year we commemorate 330 years as a city.

Within the framework of many activities, photography has a strong presence in our city, not only because the distinguished photographer Lucien Aigner was born here in 1901, but mainly because a group of amateur photography enthusiasts connected with **Hexagon** photo club is active here. The activity of the photo club consists mainly of organizing author's and club exhibitions as well as presenting various photo clubs from Slovakia. For many years we have been organizing the biennial photo event called My Slovakia (14 events took place last year), and we are the founders of the Petzval map circuit of photo clubs (now in its 27th season). We take part in many competitions not only in Slovakia but also abroad, mainly those that are under the auspices of FIAP.

Last year our city was named the City of Culture, so a space was created for the development of various cultural activities in connection with the project Castles in the Air. This was the our motivation, so we decided to organize the Hexagon photo salon under the auspices of FIAF. We will introduce our citizens and visitors to our city to a varied range of works by 249 authors from 48 countries around the world, and at the same time we will give a gift to the 60th anniversary of the establishment of our photo club.

Výstava/Exhibition

Vzhľadom na pretrvávajúcu koronavírusovú situáciu sme sa rozhodli výstavu inštalovať vo výkladoch Kina Mier a Mestského úradu v Nových Zámkoch. Výstavu oficiálne odštartovalo online predstavenie víťazných fotografií.

Due to the persistent coronavirus situation, we decided to install the exhibition in the shop window of Cinema Mier and the Nové Zámky Town Hall. The exhibition was officially launched by an online presentation of winning photographs.
